Would you like a Compassionate Neighbour?

Compassionate Neighbours are trained volunteers offering friendship and a listening ear to people living with a life limiting illness who are experiencing loneliness or social isolation.

Compassionate Neighbours can support you by:

- coming round for a cup of tea and a chat
- helping you to stay connected to your friends and the community
- directing you to important support services that may be able to help.

All support is provided free of charge.

Give us a call to find out if Compassionate Neighbours is for you!
